Materials firmly affixed to the container (e.g., caps, corks, etc.) other than the labels affixed below, or (b) embossed on the container, this word appearing on labels.

This cognac is made out *caux-de-vie* from the same growing area, the Grande Champagne, first area of cognac. They have been especially selected to create a cognac for aperitif. It is drunk in a big glass, with ice and a lot of water or tonic. Very cool. It is a cognac wanted for its various flavours. Enjoy it before lunch or dinner. It a perfect legal time.
