WEED LEMURIAN GOLDEN LAGER label design featuring a mountain landscape, a Lemurian figure, and text: 'Celebrate Weed CELEBRATE WEED Lemurian Golden Lager celebrates the elusive beings who live in the majestic mountain that envelops Weed, California. Mount Shasta, a dormant volcano rising 14,162 feet above sea level, is the mystic power source that attracts free spirits, spaceships, and searchers of the Lemurians, survivors of Ancient Lemuria, a continent that sank over 12,000 years ago. These wondrous beings, usually invisible to the human eye, trade only in the essential properties of earth: air, water, gold, and magnetic fields. Lemurians control their essence using energy radiated from crystals. Our unique northwest lager incorporates the earth-honored properties of pure Mount Shasta water, German malts and noble hops. Extraordinarily light in color and majestic in taste, we present to all people of vision, this "Essential Property of Earth," our classic Lemurian Golden Lager! Thank you for joining us in celebrating Weed, a special town with a special beer. Valerie and Barbara Dillmann'.
