Contemporary Classic  
Napa River Ranch

Each vintage, we select special wines from distinctive vineyard sites and bottle them individually in limited quantities. The Napa River Ranch vineyard lies at the confluence of three waterways, the Napa River, Hopper Creek, and Dry Creek. The soils and climate are well-suited to Merlot, Sauvignon Blanc, and Cabernet Sauvignon.

Making great wine is part science, part art, and a whole lot of passion and pride. We use cutting-edge vineyard technology along with sustainable farming methods to produce some of Napa Valley's most complex grapes. Our winemaking follows the world's oldest traditions, enhanced by the world's newest techniques. A toast from our family to yours. May your future be full of great promise and great wine... and may much of that wine be HALL.
