We have done it again. Brewmasters Scott Yarosh and Zach Schroeder are proud to present **Sonoran 200**, the second beer in our continuing series of Extreme Brews that we will be releasing every 100 batches. **Sonoran 200** is produced from 2-Row Malt and pure Agave Nectar. We increased the Agave flavor and sweetness by infusing more Agave Nectar into the brew after the four week fermentation was complete. Then we Oak Aged the whole batch for six months, until just the right balance of Agave Nectar and Oak flavors were achieved, giving **Sonoran 200** its distinctive characteristics.
