What is FU?

FU- Technology, especially computer related - possessing superior skills. Hopefully your tax preparer has good FU to combat the government's FU.

1040FU - will the 1040 get less complicated making FU unnecessary?

Dramatically simplify taxes by consolidating existing tax credits, eliminating the need for millions of senior citizens to file tax forms, and enabling as many as 40 million middle-class Americans to do their own taxes in less than 5 minutes without an accountant!

1040FU Wine is expressly made for the 5% who pay 95% of the taxes!

For too long, the U.S. tax code has benefited the wealthy and well-connected at the expense of the vast majority of Americans. Restore fairness to the tax system by providing the Making Work Pay tax cut to 95 percent of working families while closing loopholes that prevent wealthy companies and individuals from paying a fair share.

1040FU- the only wine that shows appreciation for you & your tax preparer.

Risks, long hours, hard work, ... you've put it all on the line. Whether paying or preparing taxes, nothing says 'thank you' like a great bottle of 1040FU!
